For general information
about recycling in Alameda County

Food waste is the largest single item in our waste stream, and there is no need for it to take up valuable space in our landfills. Food can easily be separated and processed into a rich compost material for gardening, landscaping and farming.

Recycling food scraps helps Alameda reach our recycling goals, and it's good for our environment.

Food Scraps Recycling!

How ^{Do I} Use ^{My New} Kitchen Pail?

1 Collect...

food scraps and food-soiled paper in your new Kitchen Pail.

(Hint: For a cleaner pail, line with a paper bag, newspaper, or waxed paper. No Plastics.)

2 Empty...

your food scraps and food-soiled paper into your green organics cart.

3 Set Out...

your green organics cart at the curb by 6 AM on your regular collection day.

IMPORTANT: Please do NOT set your Kitchen Pail at the curb.
